Well tended basis for kitchen operations

The luxurious hotel "Grand Tirolia Golf & Ski Resort" in Kitzbühel promises the most exquisite vacation ever. Accordingly, the hotel kitchens, of which there are three in the facility, are very well maintained. And in each of them easy-care and load bearing Silikal reactive resin coatings are on the floor. Color

quartz flooring in the colour combination silver gray/light gray/black was installed in the kitchens of the hotel restaurant and in the "Petit Tirolia" as well as in the golf restaurant. Completely seamless and non-slip this flooring provides the best preconditions for hygiene and safety.
